

## **CRENSHAW BALDWIN HILLS TESTING SITE – FREE SIGN UP BELOW**

Los Angeles City Councilman Herb Wesson said a new site is opening at Baldwin Hills Crenshaw Plaza, at 3650 W. Martin Luther King Jr. Blvd. Testing is free and available to all who sign up at <https://corona-virus.la/>.

Last week, Mayor Eric Garcetti announced that the city of Los Angeles would begin offering free COVID-19 testing to any resident who wants one, regardless of whether they are showing any symptoms.

According to the mayor's office, the city's free testing offer extends to any resident of Los Angeles County, but only at the eight testing locations within the city of Los Angeles. People must make appointments by visiting the city's testing website, [coronavirus.lacity.org/testing](https://coronavirus.lacity.org/testing).

Although anyone can get tested, priority will still be given to people displaying symptoms and to front-line workers such as health care professionals and first responders.
